HAUMĀNA CAMPUS PARKING INFORMATION

Parking on campus is a privilege, not a right to which haumāna are entitled. Haumāna are not allowed to drive or park on campus during the school day unless they have obtained a KS haumāna parking decal or a one-day haumāna parking pass. Parking is restricted to designated parking areas on campus. In addition, haumāna drivers are responsible for knowing the rules and regulations for driving and parking on campus.

Approved haumāna drivers will receive a BLUE KSM Haumāna Parking decal with an assigned tag number. The decal will be placed inside the front windshield on the lower left corner of the driver's side, and placed above any metal sun strip or visor tints.

All previously registered haumāna drivers do not need to reapply for a new parking pass. If haumāna are driving a different vehicle or vehicle information has changed, please resubmit a application with the new information. Students may register a maximum of two vehicles and both vehicles will have the same numbered parking decal. New drivers should complete the Haumāna Campus Parking Application and submit the completed form to the high school office to receive a parking decal. All drivers are expected to attend a meeting to review campus driving and parking expectations.

If you have any questions, please call (808) 572-3117.
