

KAMEHAMEHA SCHOOLS®
MĀLAMA OLA • HEALTH SERVICES DEPARTMENT

Aloha e nā Mākua,

Mahalo for your interest in Kamehameha Schools Preschools. To provide a safe and healthy learning environment, please provide the information listed below in order for your keiki to be medically cleared to attend school. Once all documentation is completed, please provide to your child's preschool.

All NEW Students must provide:

- Completed Kamehameha Schools Preschools Health Record form based on a physical examination that was done on or after **July 1, 2024**.
- Kamehameha Schools Preschools Health Record Supplement form completed on or after **July 1, 2024**.
*If the Health Record Supplement indicates that a Special Care Plan (SCP) is needed, a completed SCP form is also required. Please note that an epinephrine auto-injector (e.g. EpiPen) is the only medication that Preschool Staff will administer as part of a SCP.
- Documentation for being fully vaccinated for the following must be on the Kamehameha Schools Preschools Health Record form or if generated from an electronic medical record may be attached to it:
 - Diphtheria-Tetanus-Pertussis (DTP or DTaP)
 - Haemophilus Influenza B (HIB)
 - Hepatitis A
 - Hepatitis B
 - Measles-Mumps-Rubella (MMR)
 - Pneumococcal Conjugate Vaccine (PCV)
 - Polio (IPV or OPV)
 - Varicella (chickenpox)
- Tuberculosis clearance issued after twelve (12) months of age

If at any time your child's health status changes, please submit an updated Health Record Supplement form to your child's preschool. Additionally, the Health Record Supplemental form is required to be completed annually for each school year.

You can learn more about the State of Hawai'i, Department of Health requirements at:
