INSTRUCTIONS FOR REQUEST FOR ADMINISTRATION OF MEDICATION

1. The *Request for Administration of Medication* form is required and initiated when any medication (prescription and/or prescribed over-the-counter) must be administered in school and it is not possible to schedule all dosages at home. ***A separate Request for Administration of Medication form must be completed for each individual medication.*** Medication shall be stored in the Medical/Health Services Department and administered by KS Medical/Health staff with the exception of the following:

   A Middle or High School student may be permitted to carry and self-administer a medication **only if**:

   a) Parent and prescribing health care provider (MD, DO, PA or NP) deem the student responsible to remember to take prescribed doses as directed.
   b) Prescribing health care provider certifies (by completing and signing Section II of this form), the student knows what the medication is for, when to take a dose & is able to safely self-administer the medication.
   c) The medication does **not** require refrigeration.
   d) Controlled substances or mood disorder medications will not be allowed to be self-administered. These medications must be dispensed through Hale Ola or other dispensary for day and boarding students.
   e) The medication is **appropriately labeled by a pharmacist or health care provider** to include:

      - ✓ student's name
      - ✓ medication name
      - ✓ quantity, dosage and time to be taken
      - ✓ date of prescription and name of prescribing health care provider

2. An Elementary school student may have the option of carrying and self-administering medications **only** for asthma, anaphylaxis, or another potential life-threatening illness. The above requirements "1 a through e" must be met. The other option is for the medications may be stored in the health room for administration by the nurse during school.

3. Parents/Legal Guardians must complete Section I.

4. The prescribing health care provider must sign & complete Section II. If the student will be self-administering an over-the-counter medication, Section II must be completed by the parent but a prescriber's signature is not required.

5. When Sections I & II are completed, return this form to the appropriate Health Services Department for approval by the Director.

6. No medication will be stored or administered by the Health Services Department without prior approval and completion of this form.

7. Upon approval of this request parents are to:

   a) Be sure the medication is in a container **labeled by the pharmacist / health care provider as required in 1e.**
   b) Remind child to report to the dispensary at the prescribed time. `

8. This form will be effective for the current school year and **must be renewed annually**.
